

School District Educational Objectives

The district goals will be determined each year by mutual effort of the administration, Board, accountability committee, parents, staff and community.

Graduation rate

(A) The district will maintain an annual graduation rate of at least 90%.

Attendance rate

GOAL:

The district will maintain a student attendance rate of 95 percent.

Student achievement

GOALS:

(A) The district shall have continuous, measurable gains in educational achievement through student annual yearly progress.

Adopted: September 21, 1988

Revised: March 17, 2004
