

Gifts to and Solicitations by Staff

Gifts

Gifts from students: Teachers and other district employees shall not accept gifts from students except as such gifts represent tokens. The district considers letters from students expressing gratitude and appreciation to be appropriate.

Gifts from companies: All district employees are prohibited from accepting gifts of other than nominal value from companies or organizations doing business with the school district. Exceptions to this policy are the acceptance of minor items which are generally distributed by the company or organization through its public relations program.

Solicitations

No organization may solicit funds of staff members within the schools nor may anyone distribute flyers or other materials related to fund drives through the schools without the approval of the superintendent or designee. Nor shall staff members be made responsible or assume responsibility for the collection of money or distribution of any fund drive literature within the schools without such activity having the superintendent's or designee's approval.

As a matter of policy, the district expects such activities to be kept to a minimum.
