

First Aid Training

At least one person in each building, and every staff member who teaches or supervises students in classes or activities where, as determined by the district, students are exposed to dangerous equipment or chemicals or other increased risks of injury, shall hold a current standard first aid card, including CPR training. A list of such staff members shall be maintained in each school office.

Athletic coaches, including junior high school and high school coaching staff, excluding volunteers, shall hold a current Standard First Aid card, including CPR training and the use of automated external defibrillators (AEDs). All high school and junior high school coaching staff, including volunteers, shall have concussion training annually.
