

Early Graduation

The Board of Education may grant early graduation to a student who meets the following conditions:

- the student must apply in writing to the superintendent or designee prior to the beginning of the semester in which he/she desires to graduate
- the student's parent/guardian must approve the request for early graduation (if the student is not emancipated)
- the superintendent or designee, high school counselor, and Board must approve the request
- the student must satisfy all Board requirements for graduation.

If the student's request for an early diploma is granted, the student may not participate in extra-curricular activities including but not limited to the senior trip. Participate in baccalaureate and graduation commencement ceremonies will be optional.
