

Distribution/Posting of Noncurricular Materials

Requests from the general public to distribute printed noncurricular materials in the Big Sandy school district public schools shall be allowed subject to the following policy and accompanying regulations unless the material is “unacceptable” as described below.

The following shall be considered “unacceptable” material:

1. So-called “hate” literature that scurrilously attacks ethnic, religious or any racial groups.
2. Material that promotes hostility, disorder or violence.
3. Material that is libelous, invades the rights of others or inhibits the functioning of the school, or advocates interference with the rights of any individual or with the normal operation of the school.
4. Material which in any way promotes, favors or opposes the candidacy of any candidate for election, or the adoption of any bond issues proposal, or any public question submitted at any general, municipal or school election. The prohibition shall not apply on any election day or special election when the school is being used as a polling place.
5. Material that is obscene or pornographic as defined by prevailing community standards throughout the district.

This policy governs noncurricular material and is not intended and shall not be interpreted to interfere with the prerogative of teachers to supplement and enrich text and reference book materials used in their courses with materials which are timely and up to date. However, no teacher shall distribute noncurricular materials in his or her class without complying with the procedures which follow.

Upon request, the superintendent or designee shall present to any person or persons wishing to distribute printed noncurricular materials a copy of this policy and the accompanying procedures.

Procedures for distribution will be set by building principals.
