

Violent and Aggressive Behavior

The Board recognizes there are certain behaviors that, if tolerated, would compromise the learning environment to which the students and staff of the district are entitled. These behaviors, categorized as violent or aggressive, will not be tolerated.

Students exhibiting violent or aggressive behavior or warning signs of future violent or aggressive behavior shall be subject to appropriate disciplinary action including suspension, and/or expulsion in accordance with Board policy concerning student suspension, expulsions and other disciplinary interventions. As appropriate and in accordance with applicable law and Board policy, students may also be referred to law enforcement authorities. At the district's discretion and when appropriate, the student may receive appropriate intervention designed to address the problem behavior. The district may also conduct a threat assessment of the student.

Students shall immediately report questionable behavior or potentially violent situations to an administrator, counselor, or teacher.

A staff member who witnesses or receives a report of a student's act of violence and aggression shall notify the building principal or designee as soon as possible.
