Consent to Test Form

Student Name _____ Student ID# _____

The Student and his/her parent(s) or guardian acknowledge that the Big Sandy 100-J School District has the right to perform random drug and alcohol testing on students who wish to exercise the privilege of participating in athletic/extracurricular activities.

The student and his/her parent(s) or guardian, that as a condition of the student being allowed to participate in extracurricular activities in the District, the student may be required to undergo and successfully pass random screening for alcohol, illegal drugs or other banned substances, as set forth in District Drug Testing Policy for Students involved in Athletics and Extracurricular Activities at Big Sandy's Junior High 6-8 and High School 9-12. The student and his/her parent(s) or guardian acknowledges that they have read and understand this policy and that they agree to all terms and conditions contained in the policy and procedures.

The student and his/her parent(s) or guardian hereby consents to participate in Random Drug and Alcohol Testing Program and to the disclosure of testing results to the District's Drug Program Coordinator and parent(s) or guardian. The student and his/her parent(s) or guardian further understand that the student's refusal to submit to a drug screening will be treated in the same manner as if the student had tested positive for banned substance.

Any student and his/her parent(s) or guardian at Big Sandy Schools that will not participate in an activity or sport may consent to participate in random drug and alcohol testing program and to disclosure of testing results to the District Drug Program Coordinator and parent(s) or guardian.

No students shall be penalized academically for testing positive for banned substances during random drug testing. The privilege of being allowed to participate in athletics/extracurricular activities for Big Sandy School District is contingent on the signing of this consent form.

The consent form shall remain in effect at Big Sandy Schools for the career of the student. Any revocation of this consent form shall disqualify the student from participating in athletics/extracurricular activities for Big Sandy Schools.
