

Vandalism

Each employee of the district shall report to the principal of the school every incident of vandalism known to him or her and, if known, the names of those responsible. The district and its community are encouraged to work together to minimize incidents of vandalism of school property.

The superintendent, the principal or their designees are authorized to sign a criminal complaint against persons suspected of vandalism against school property.

Students who willfully or maliciously destroy school property through vandalism or arson or who create a hazard to the safety of other people on school property may be referred to law enforcement authorities. Vandalism includes the knowing and unauthorized use, alteration, damage or destruction of any computer, computer system, software, program or computerized data. Students who are caught vandalizing school property may be suspended and/or expelled.

It is the intent of the Board of Education to seek damages as permitted by law from students who vandalize school property and/or their parents or guardians.
