

The Cub Reporter

**Tucker Tidbits for Elementary
Kathy Tucker, Elementary Principal**

It's hard to believe, but October is now upon us. Along with it comes a chill in the air, beautiful fall colors, and the laughter of children. The first few weeks of school have been great, and we are all thankful that school is back "in person". Thank you, parents, for being understanding, supportive, and encouraging to your children, as well as school staff. Together, we will have a successful school year, and we will "Make it Happen!"

Homecoming Activities

Homecoming was last week, and many different activities took place. In the elementary, costume contests took place at recess. Below are the winners:

"Super Hero" K-2 winners were: Preston Hodgson, Ander Cruz, and Zaylaa Lally.

"Super Hero" 3rd-5th winners were: Matthew Wright, McKenna Stanko, and Raelynn Revis.

"Favorite Villain" K-2 winners were: Carter Hall, Lilliana Buhing, and Sophie Vigrass.

"Favorite Villain" 3rd-5th winners were: Quartz Sheman, Sterling Leland, and Lilly Gallegos.

"Best Pajamas" K-2 winners were: James Bratsovsky, Dakota Hisle, and Amyas Joyce

"Best Pajamas" 3rd-5th winners: Presley Metzgar, Shayne Easler, and Victor Sang

YEARBOOK SPECIAL!!

2021/2022 Yearbooks can now be reserved at a discount! If you order and pay for your yearbooks no later than December 10, 2021 you will receive a \$10.00 discount on the high school yearbook and a \$5.00 discount on the Elementary/Junior High yearbook. Please fill out the order form on page 13 and return it to the school soon!

Read Aloud Month

Students will be bringing home an informational letter with pictures of books on the back of the sheet in late September/early October. When your child reads to you or you read to your child, please have your child initial or color a book. Reading should be age appropriate. Then on Friday, October 22nd, your child will need to return the signed sheet to his/her teacher. Each participant who completes this activity will receive an extra recess, treat, and certificate. The extra recess will be on Friday, October 29th. Please help your child complete this activity and read, read, read!!!!

Elementary Parent/Teacher Conferences

Elementary Parent/Teacher Conferences will be held Monday, October 25, 2021, by appointment. Your child will be bringing home a parent conference letter with a scheduled time to meet with their teacher. If you cannot make it at that time, conferences can be rescheduled or a phone conference is an option too. Please communicate with your child's teacher. Our school's goal is 100% contact with all elementary parents.

October Accountability Meeting

Our first meeting of the year was held in September. Officer elections will be held at our next meeting which will be on Wednesday, October 13, 2021 (3:00-4:00 p.m.) in the library. If you are a parent and/or community member interested in serving on our Accountability Committee, please email Mrs. Tucker at ktucker@bigsandy100j.org. We would love to have you join our team!

October is Fire Prevention Month!

Each October, the Simla Volunteer Fire Department educates our students regarding fire safety, including what to do if a fire occurs. Students are asked each year to develop or become familiar with their families' fire escape plan, including a family meeting spot. If your family does not have one in place, you can take advantage of this opportunity and develop one. This will be an exciting and educational experience for all who participate. This year's presentation will be on Wednesday, October 27th for all students, PreK-5th grade. A big thank you to our fire department for educating our students and keeping us safe!

Halloween Parties

Halloween Parties will be on Friday, October 29, 2021. Preschool parties will take place on Thursday, October 28, 2021. **Please note the following change: Students will be allowed to wear their costumes to school on the day of their Halloween parties. This is different than what we have done in the past. With that being said, please make sure that your child's costume is conducive to learning in the classroom.** If a part of your child's costume could be a distraction, then please direct them to wear that part at recess or at the end of the day.

"Trunk or Treat" will be returning this year!

This will take place in the overflow parking lot in front of the school (same place as last year). If you would like to participate, please let Mrs. Tucker know by emailing her, ktucker@bigsandy100j.org, or by calling the front office, 719-541-2291. Parents, community members, and business owners are encouraged to participate and provide a fun experience for our students. The schedule for this Friday will be as follows:

- 2:00-2:15 p.m. recess
- 2:20-2:30 p.m. parade
- 2:30-3:10 p.m. Trunk or Treat
- 3:10-3:55 p.m. Halloween parties

The annual parade for Kindergarten through fifth grades will begin at 2:20 p.m. This will be held outside this year, weather permitting. All classroom parties will follow.

Once again, thank you parents for supporting students and providing super parties!

Big Sandy Attendance Policy

Being at school is extremely important! At Big Sandy, we want to make sure that every student has the opportunity to reach and possibly exceed his or her potential. The only way that this is possible is if the student is actively engaged at school. A student cannot learn if they are not present.

When absences do occur, the elementary teachers do an excellent job of trying to "catch" students up; however, if a new concept is covered when a student is absent, then it is extremely difficult for teachers and students. **Eight excused absences are allowed per semester, and sixteen are allowed for the whole school year.** If a student exceeds this, then they will need to make up the missed time and could possibly be in jeopardy of not receiving credit for the year. Notices for excessive absences are periodically sent home.

If you have any questions, the district's attendance policy is explained in your child's Cub Book. With this being said, if your child is ill, please keep them home, but if they are healthy, please have them attend school.

Thank you for your support and help in ensuring your child's success.

Just a Reminder

Elementary students are not allowed to stay after school without parental or adult supervision.

This includes waiting for an afternoon game to begin. Please make sure that your child is supervised at all times after school hours.

October Student of the Month

October Student of the Month is Miss Breckyn Amendt! Breckyn is always doing everything she can to give her best effort. When others are happy to mess around, Breckyn will patiently wait for her next set of instructions and will not give in to the temptations of distractions. She sets a great example of how all of our kids should treat others with respect and "doing your best" all the time. Thanks for being such an honorable Bearcub, Breckyn!

Elementary Family Night

Wednesday, November 17, 2021

Come join us for a FALL FESTIVAL filled with good food, fun games, prizes, and the Book Fair!

The Book Fair will be from November 8-19, 2021.

"An investment in knowledge pays the best interest." —Benjamin Franklin

Choir Concert

Join us on Wednesday, October 13th at 6:30 p.m. for the first choir concert of the year.

Mrs. Weber and the students have been preparing an amazing performance for the Simla Community. We are so excited for the kids to have the opportunity to share their musical talents with you.

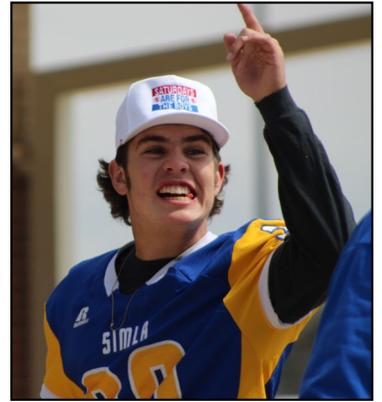

From the Principal's Desk
Sammi Swennes, Secondary Principal

Year-to-Date

The 2021-2022 school year is off to a great start. Our students are working hard in the classroom because they are being challenged by our outstanding teaching staff.

Our fall sports programs are underway. We invite you to come to any of our high school and junior high sports to see our student athletes in action.

Homecoming was a great success this year!! Thank you to our parents, teachers, students, and community for all your hard work and dedication into making so many great memories this homecoming. We also want to thank the Simla Volunteer Fire Department and the Simla Police for their support in a great homecoming. Check out some of the fun we had for homecoming.

From the Principal's Desk continued on page 6...

...From the Principal's Desk continued from page 5

Extra-Curricular Activities

We also offer a variety of academic clubs/teams like Matchwits, Future Business Leaders of America and National Honor Society. Students may also participate in Student Council, and Fellowship of Christian Athletes in the high school and C.U.B.S. Crew in the junior high.

We are very proud of all of the students that participate in these extra-curricular activities! They are willing to commit the time and dedication to make Simla Junior High and High School the best that it can be. I would like to personally invite you and your family to come to one of our ball games or meets to watch our students in action.

Attendance: A Key to Your Student's Success

In a recent edition of The Parent Institute, the following clip was published. It stresses the importance of regular attendance at school.

Research shows that children who are in school most of the time do better on state tests. Here's how you can improve your child's school attendance:

1. Talk with your child about the importance of attending school regularly.
2. Avoid scheduling family trips or doctor appointments during school hours.
3. Make sure your child stays healthy by eating nutritious food and getting enough sleep and exercise.
4. Don't accept excuses for why your child "must" miss or be late to school.
5. Discuss with your child what happened at school each day.
6. Support school rules and consequences for skipping class and being tardy.
7. Show your child why education is important and give specific examples of how education helps people succeed.

Thus far, we have done a wonderful job of being present and ready to learn. Our secondary school reported a 95% attendance rate this past year. This year we want to try to do even better. Thank you, our students and parents, for the commitment to Big Sandy Schools and our drive for excellence. With all that being said, we do want your child to stay home if they are sick. We are still in a COVID year, and the best way for us to stay open for in person learning is if student stay home when they aren't feeling well. As much as we want students in school, we want them in school healthy even more. Please call the office if your child isn't feeling well, and if you do go to the doctor, please bring a doctor's note back to the office when your child returns to school. Let's all work together to stay healthy and stay in person this year!

½ Day Policy

Secondary students participating in extra-curricular activities (sports and clubs) must be in attendance a ½ day in order to practice or play in an event for that same day. The definition of a ½ day is 4 hours of attendance in a school day. If a bus is leaving after 12:00 p.m. the student must be in attendance for 4 hours of that school day. If the bus is leaving earlier than 12:00 p.m. the student must be in attendance for all hours in that school day.

Honor Roll Drawing

This year the Honor Roll will be divided into three levels, determined by the GPA a student acquires in a nine-week period:

Blue: 3.00 - 3.49 GPA

Gold: 3.50 - 3.99 GPA

Superintendent's: 4.00 GPA

At the end of each nine-week period, teachers will post their grades and student GPAs will be determined. Names will be posted outside of the principal's office and sent the Ranchland News for publication. In addition to the publicity, students on the Honor Roll will receive a tangible prize each time they attain this feat.

From the Principal's Desk continued on page 7...

Expectations of Students at Games

If your child attends a ball game, please make sure that he/she is supervised and watches the game. If staff needs to correct a student, then the student will receive consequences such as a lunch or after school detention and the student will need to sit with the parent or with the adult who brought him/her to the game. If inappropriate behavior continues then the student will need to stay home and not attend extracurricular activities until the administration decides that he or she is ready to follow the rules. Thank you for your cooperation. We have these rules so the patrons can watch the games and to ensure student safety.

Expectations of Parents and Fans at Games

Our expectation for all parents and fans at games is to have appropriate behavior at all times. The use of inappropriate language, heckling of the opposing teams' players and coaches, heckling of our own players and coaches, and inappropriate behavior and language towards an official are inexcusable. If behavior from any of our parents or fans is inappropriate in any way you may be asked to leave the game by a school administrator. School administration will then determine if you will be allowed to attend future extracurricular events. Our goal is not to remove parents or fans from games, but instead hold our parents and fans to the same high sportsmanship standards that we hold our students too.

School Store

The Freshman Class is sponsoring the School Store this year. The store is currently open from 7:45 – 7:55 a.m. and then again during junior high break from 9:58 – 10:04 a.m. and the high school break from 11:02 -11:06 a.m. Students can buy snacks to eat throughout the school day.

Parent-Teacher Conferences

The Fall Parent/Teacher conferences were held on September 20th. If you were unable to attend on this date, and you would like to visit with your child's teachers, feel free to call the school office and set up a time to visit with your child's teacher, during their planning time.

End of 1st Quarter

It is hard to believe that we will complete the first quarter of school this month! The quarter ends on October 15th. Report cards will be sent home the following week.

Free/Reduced Lunch Forms reminder

Just a reminder, if you haven't done so already, please make sure that you have obtained and returned a free/reduced lunch form to Mrs. Johnson, in the Superintendent's office. If you lost your form and need to complete a new one, please stop by her office and pick one up.

NHS Reminder

Students having a cumulative 3.5 G.P.A. after the first semester of their sophomore year are eligible for consideration of membership in the National Honor Society. This decision is made by a faculty committee. The committee also considers a student's character, leadership abilities, and community service. This process will begin in January.

Drama Dinner Theater

The high school drama dinner theater will be on Wednesday, October 6th starting at 5:30 p.m. Check out page 12 in this Cub Reporter for more details---we hope that you come super sleuth with us in a fun filled evening filled with clues, laughter, and some pretty fun kids!

Junior High Drama

The junior high drama class will be displaying their talents on Tuesday, October 19th. Check out page 13 in this Cub Reporter for more details.

Superintendent/Board Notes
Steve Wilson, Superintendent

The majority of our first semester is finished. We have had a great start with student learning and extra-curricular activities. So far, we have had minimal COVID disruptions. With continued consistent, quality teaching and learning each day and week throughout the year, we expect a good year of education.

ESSER III

We submitted the ESSER III application and are waiting for either approval or to do some revisions.

Scheduling Appointments

Please continue to make it a point to try and schedule appointments and errands on the days that we do not have school (Mondays) if possible; with only 147 scheduled school days during the year, every day of instruction is important for student learning.

Safety Procedures

For everyone's safety, please reinforce and discuss bike riders' safety procedures as well as safety procedures with those children that walk to and from school. There are three "drop and go" pick up and drop off areas; the high school "drop and go" is underutilized and if used, might give some relief to the other two areas.

A Big Thank You

We would like to thank the Hope Foundation for donating money to our school. As per the wishes of this foundation, we have put money toward scholarships, parks/playground/athletic fields, and helping others.

Audit Report

Our auditing report will probably be finalized this month. On the initial exit interview, things were positive. If our audit shows that we are: 1) Honest, 2) Competent, and 3) Have Good Fund Balances, then I believe we had a good financial year.

**Big Sandy Schools
Official Website**

Bigsandy100j.com is our school's website. This website is a great tool for school updates and communication with our community. Tamrah Docterman does a great job being the webmaster and continues to refine and update it.

SCHOOL CLOSURE INFORMATION

Finally, we try and make the decision on school closures by 6:00 a.m. Our first contact is with www.flashalert.net. FlashAlert then contacts all media outlets in Colorado Springs, Denver, and Pueblo. These media outlets then post school closures on their websites, radio stations, and television stations. We also use ShoutPoint. ShoutPoint is an automatic calling system and e-mailing system that will call/e-mail each family to give out this type of information; **please let Alisa Easler know in the main office if you need to update a phone number, e-mail address, or address.**

School Board Election

We have three people running for two seats on our school board. Chad Maranville, Greg Mitchell, and Daniel Brown are running for the two seats.

We hope you and your children have a great school year!

Counselor Corner
Chad Thieman, Counselor

The Counseling Office operates with an open-door policy. If I can assist any student or parent, my door is open to you, stop in anytime! Parents, please call in advance so that I can be sure to be available. You may also email questions to me at cthieman@bigsandy100j.org.

SENIORS:

Researching Future Programs

Our seniors are currently researching degree programs and college/vocational & technical school/apprenticeship options. We have been making use of several online resources including a state-sponsored website known as *My Colorado Journey*. This site provides guidance in career planning, college planning, and financial aid. Currently the seniors are working through the College Application Month materials in preparation for the free college/university application days which will be over 3 days: October 19th-21st. I recommend that parents check out this website as well. The web address is: www.mycoloradojourney.com.

Scholarships

Seniors need to remember to sign up in the scholarship book to receive the applications that arrive in my office. We continually update our scholarship list and are always looking for new information to add. If you find out about a scholarship opportunity that is not included on our list, please let me know. Thanks to Debbie Carter for her work on our scholarship list! We also have a link to our scholarship spreadsheet on the school website. Another useful online resource to search for scholarships is found at www.fastweb.com.

There are several scholarship applications that are open right now and seniors should be working on those applications. It is important to not wait until the last minute to complete applications! *I regularly remind our seniors that they will not have enough time during senior seminar class to complete all of their applications – they must use additional time away from school to accomplish all that needs to be done!*

Senior seminar participation policy:

Virtually all of the content of the senior seminar course is given in class through direct student/teacher contact. Because it is so important to be in class for this instruction, we have a clear participation policy. If a student is present and participating, they receive 5 daily points. If a student is not present or is not participating, they do not receive the points for that day. The only non-participation excuses accepted are: 1. college visits/job shadows; 2. other school related events such as early dismissal for athletics; and 3. a doctor's written release from attendance/participation. If a student does not earn their participation points for the day, they will have the opportunity to complete an extra credit assignment at the end of the quarter to earn additional points. This policy is necessary to help ensure that our seniors are present and participating in class on a regular basis.

FAFSA!

The Free Application for Federal Student Aid (FAFSA) opens October 1st. Financial information is taken from you and your parent's 2020 Federal tax returns. The first step in the process is to apply for an FSA ID at www.fsaaid.ed.gov. This username and password is used to sign the completed FAFSA application. The FAFSA can be completed at www.fafsa.ed.gov. Remember that this application process is free! If you encounter something requiring payment then you are on the wrong site. You must apply and be accepted at a college in order for them to complete a Financial Aid package for you. Please contact me if you have questions or need assistance in this process.

Counselor's Corner continued on page 10...

...Counselor's Corner continued from page 4

JUNIORS & SOPHOMORES:

We will be giving the PSAT/NMSQT assessment on Wednesday, October 13th. This test is a practice for the SAT and is the qualifier for juniors to be in the National Merit Scholarship program. Entry into the scholarship competition is determined solely by the PSAT score. The cost of the PSAT is \$18 per student. Please make checks payable to: Big Sandy Schools. Juniors - if your family qualifies for the free and reduced lunch program, your test fee may be waived. See Mr. Thieman for more details and to sign up for the test if you would like to take it.

ACT and SAT Assessments

The next ACT test date is Saturday, December 11th. Registration is open through November 5th. Go to www.act.org to register for the ACT.

All juniors will take the SAT here at the school on Wednesday, April 13th, 2022.

ALL HS GRADES:

To meet the Higher Education Admissions Requirements (HEAR) for Colorado's public colleges and universities, graduating students should have completed: 4 years of English; 4 years of Math (Alg. 1 and higher); 3 years each of Science and Social Studies; 1 year of Foreign Language (Simla offers Spanish); and 2 additional years of academic electives. (**Foreign Language is not required for graduation at Simla and only 3 years of high school math are required.) Keep these college admission requirements in mind when choosing the types of courses to take each year.

FYI – students who take Algebra I during their 8th grade year are still required to complete 3 more high school level math classes between their 9th and 12th grade years. Our expectation is that each high school student has successfully complete Algebra 1, Geometry, and Algebra 2 as a regular course of mathematics study.

Each Tuesday morning the eligibility report is posted for all junior high and high school students. If a student has a course grade of a 60% - 65%, then their name appears on the Near-to-Fail list. If a student has less than a 60%, then their name appears on the Failing list. Students must be on the Near to Fail list once in a specific class **before** being declared ineligible no matter what their grade is – so every student has a 1-week grace period to raise their % to a passing level again before they can be declared ineligible. Letters or emails are sent home to alert parents that their student is on one of these lists and to communicate their current percentages. Any athlete who is on the Failing list in one class will not be eligible to play in any of that week's athletic contests. Their eligibility is regained once the next list is published on the following Tuesday if they have a 60% or higher in that class. Please feel free to call myself or Mrs. Swennes directly if you have questions about this process.

Our Internet-based student information program, Infinite Campus, offers parents and students a portal to check current grades, attendance information, etc. Call (541-2291) or email (ttucker@bigsandy100j.org) Mr. Tucker for information on how to get a login to access the system. There is a link for the portal on our school website.

Students and parents: stop by my office and say, "hello" anytime! Enjoy the fall weather!

IMMUNIZATIONS:

As I prepare to start reviewing immunization records for each student, please make sure you have provided an up-to-date immunization record to the school for each student. All students entering Kindergarten are required by states law to have the MMR, Varicella, Dtap, Polio, and Hepatitis B vaccines. In addition to those vaccines, students entering the 6th grade are also required to have a Tdap vaccine. If you choose to exempt your child from any or all **required** vaccines, the exemption process has changed for the 2021-2022 school year with the passing of Senate Bill 163. Below is the letter from Immunize Colorado explaining the new exemption process.

While a medical exemption for those children who cannot be vaccinated and a nonmedical exemption for those who choose not to vaccinate remains an option for Colorado families, the new law makes the following changes:

- *Parents and caregivers claiming a medical exemption from vaccination for their child must have a completed certificate of medical exemption with the signature of a healthcare provider. Medical exemptions only need to be submitted once, unless the student's information or school changes.*
- *If a parent or caregiver chooses not to have their child vaccinated, they may claim a nonmedical exemption in one of two ways:*
 - *Submit the official Certificate of Nonmedical Exemption with the signature of an immunizing provider (such as a medical doctor, advanced practice nurse, pharmacist, etc.) OR*
 - *Submit the official Certificate of Nonmedical Exemption received upon completion of CDPHE's Online Immunization Education Module.*

Note: Nonmedical exemptions for school-aged children must be submitted annually and expire on June 30th of each year.

- **If a student exempts from one or more school-required vaccines for either medical or nonmedical reasons, the appropriate exemption form, as described above, MUST be on file with their school.** *The certificate was standardized to include the collection of information necessary in the event of a disease outbreak in our community.*
- *All immunizing health care providers are required to report both immunizations and exemptions to the Colorado Immunization Information System (CIIS). Parents and caregivers retain the right to opt their child out of CIIS.*

If you have any questions or concerns, please feel free to reach out to me by phone or email. I am at the school on Wednesday each week starting October 1st, but can be reached at mvolosin@bigsandy100J.org for a faster response anytime.

DINNER SHOW AND A MYSTERY

Trouble at the Talent Show

Mysteries by Moushey

Performance by the high school drama class

Join us Wednesday, October 6th and reveal *WHO-DUN-IT* at the talent show.

Dinner and the Show are \$6.00 for adults, \$4.00 for students, and
6 and under are free.

Hunt for clues (or bribe a Mystery Helper and
purchase a clue, \$\$) and also interrogate characters.

Find your Best Sleuths and make a team.

There are prizes for the groups

That solve the mystery of *WHO-DUN-IT*, reveal the motive, and who are
Most Original, Most Creative and Most Clueless!

There will also be a raffle, "Guess the Culprit".

Join us for dinner, entertainment (it is, however, a talent show),

And for an entire evening of fun!!

Dinner 5:30-6:45 p.m.

Talent Show 7:00 to 8:00 p.m.

Dessert, Solve the Crime, and Prizes 8:00-9:00 p.m.

So, start building your team.

Cast members are selling tickets NOW!

Buy yours by September 30th.

(contact mbauer@bigsandy100j.org with questions)

Born To Be Wild

by Bryan Starchman, published by Eldridge Publishing

Join the Junior High Drama class for this hilarious comedy on Tuesday, October 19th at 6:30 p.m. in the small gym. Enjoy a performance with the animals of the world as they give a human voice to their thoughts. Hear what the animals really think about us humans!

Stretch your imagination as you get ready to walk on the wild side!!

Yearbooks are on Sale!

The 2021/2022 yearbooks are on sale now!

These will be on a pre-order basis, so be sure and reserve your copy early.

The High School Journalism/Yearbook classes are hard at work on an 88-page, High School-only yearbook and a 40-page, soft-cover, Preschool through Eighth Grade yearbook. Both books are cover-to-cover color. We know you will not want to miss getting your copy! Please fill out the form below and return it to the school with your check made payable to Big Sandy School Yearbook.

Please reserve a 2021/2022 Yearbook in my name:

Name: _____

Address: _____

City, State, Zip: _____

Phone Number: _____ Grade: _____

HIGH SCHOOL YEARBOOK

Please Check One:

- \$40.00 by December 10, 2021 or
- \$50.00 after December 10, 2021 or
- \$30.00 now and \$30.00 when the yearbook is delivered.

PRESCHOOL THROUGH EIGHTH GRADE YEARBOOK

Please Check One:

- \$25.00 by December 10, 2021
- \$30.00 after December 10, 2021

****Yearbooks will be available for pick-up in August 2022****
