Dear Parent/Guardian:

I am requesting your permission to have your student meet with our student advocate, Mrs. Shannon Hoops. She works with individual students having regular check-ins to develop a rapport and to offer support and encouragement. She may also be leading a high school and a junior high counseling group for girls to meet together and talk through issues that they are facing.

May we have your permission for your student, _____ (write in student name), to meet with Mrs. Hoops either individually or as a part of the appropriate girl's group? If so, please sign below and return to the main office. It would be fine for your student to bring this letter back and turn in to Mrs. Easler in the main office.

Mrs. Hoops works under my supervision from the Counseling Office. She has a Bachelor's degree in Health Sciences from UCCS and is enrolling in a Master's degree program in School Counseling through Colorado Christian University.

If you have questions, please call me at 541-2291 or email me at cthieman@bigsandy100j.org.

Thank you,

Chad R. Thieman
School Counselor
