STUDENT SPOTLIGHT: CARLEE COX

This is Carlee's first year in journalism! So far her favorite things to do are take sports photos and make yearbook pages! On top of journalism, Carlee is a three sport athlete and involved in multiple extra-curriculars. Next year Carlee will be a Junior and cannot wait to see what the future holds!

DON'T FORGET!

School on Monday!
Just a reminder, we
WILL HAVE school on
Monday, May 12. We
will have NO SCHOOL
on Friday, May 16.

THANK YOU ...

Parents for trusting
us with your children
and for your continued
support by helping with
parties, homework etc.
Teachers for doing such
a wonderful job with
equipping students for the
future

**Administration for making
our school such a
great place to learn**

Mr. Thieman & Mr. Tucker
for helping set up and
organize our testing
**Mrs. Allen, Mrs. Gentzel,
Mrs. Norris, Ms. Hodgson
& Ms. Augen for helping
students stay safe at
recess**

Custodians for keeping
our school
looking great

**Ms. Kiniston, Mrs. Molner,
and Mrs. Billmire for the
wonderful food**

Bus drivers for keeping us
safe on the roads

**School Board for
supporting staff,
students, and families**

TUCKER TIDBITS FOR ELEMENTARY

KATHY TUCKER ELEMENTARY PRINCIPAL

ELEMENTARY BUNNY HOP!

The older elementary students did the bunny hop during lunch and it was a hit!

As we wrap up the school year, I can't help but reflect with gratitude and pride. Our theme this year was **"Be the One,"** and I'm thrilled to say that our students truly embraced it. With the dedication of our amazing teachers, staff, and supportive families, we've worked together to bridge gaps, celebrate successes, and grow as a community.

This year brought plenty of laughter, memorable accomplishments, and a few heartfelt moments too. I feel incredibly fortunate to work alongside such passionate educators, inspiring students, and a strong, caring community. Together, we've made every day count.

As we near the end of the year, we're especially proud of our outstanding fifth graders. Their leadership, energy, and example have left a lasting mark, and while we'll certainly miss them, we're excited to watch them soar in sixth grade and beyond.

Thank you all for being part of this special journey. Here's to a summer full of rest, joy, and new adventures!

EASTER PARTIES 2025

Thank you, parents, for making these parties memorable for all students!

With the end of the school year upon us, numerous activities and events will be happening which are listed below and on the school website.

ELEMENTARY STUDENT COUNCIL

It's time again for elementary STUCO elections. In early May, a questionnaire, which will include all specifics, will be sent home with those fifth graders who are interested in running for a STUCO leadership position. After forms are received back, each applicant will need to prepare a speech. In May, speeches will be presented before the elementary student body and staff. The leadership team will be elected by a 50% teacher vote and 50% student body vote. Winners will be notified the day after the election.

A great big "thank you" to this year's STUCO leaders. They have all done an amazing job taking care of their elementary duties. We will miss their leadership next year!

We will miss their leadership next year!

HONOR CHOIR

Congratulations to our 4/5 Honor Choir for their outstanding performance at the concert on Wednesday night! Ms. Trowbridge has recently developed this talented group

of singers, and they have been meeting once a week after school for an hour. Thank you, Mrs. Trowbridge, for making this opportunity available to our students!

CMAS 2025

Third, fourth, and fifth graders accepted the challenge and completed all of their CMAS testing. Those who worked hard and applied test taking strategies earned points that could be applied towards an exciting trip to SkyZone. This trip will take place on Friday, May 2nd. For students who earned 110 points or more, we will leave the school around 10:30 and return around 3:50 pm. Each student will need to bring a lunch, snacks, water bottle/drink. Thank you, Bearcubs, for working so hard! We are proud of you!

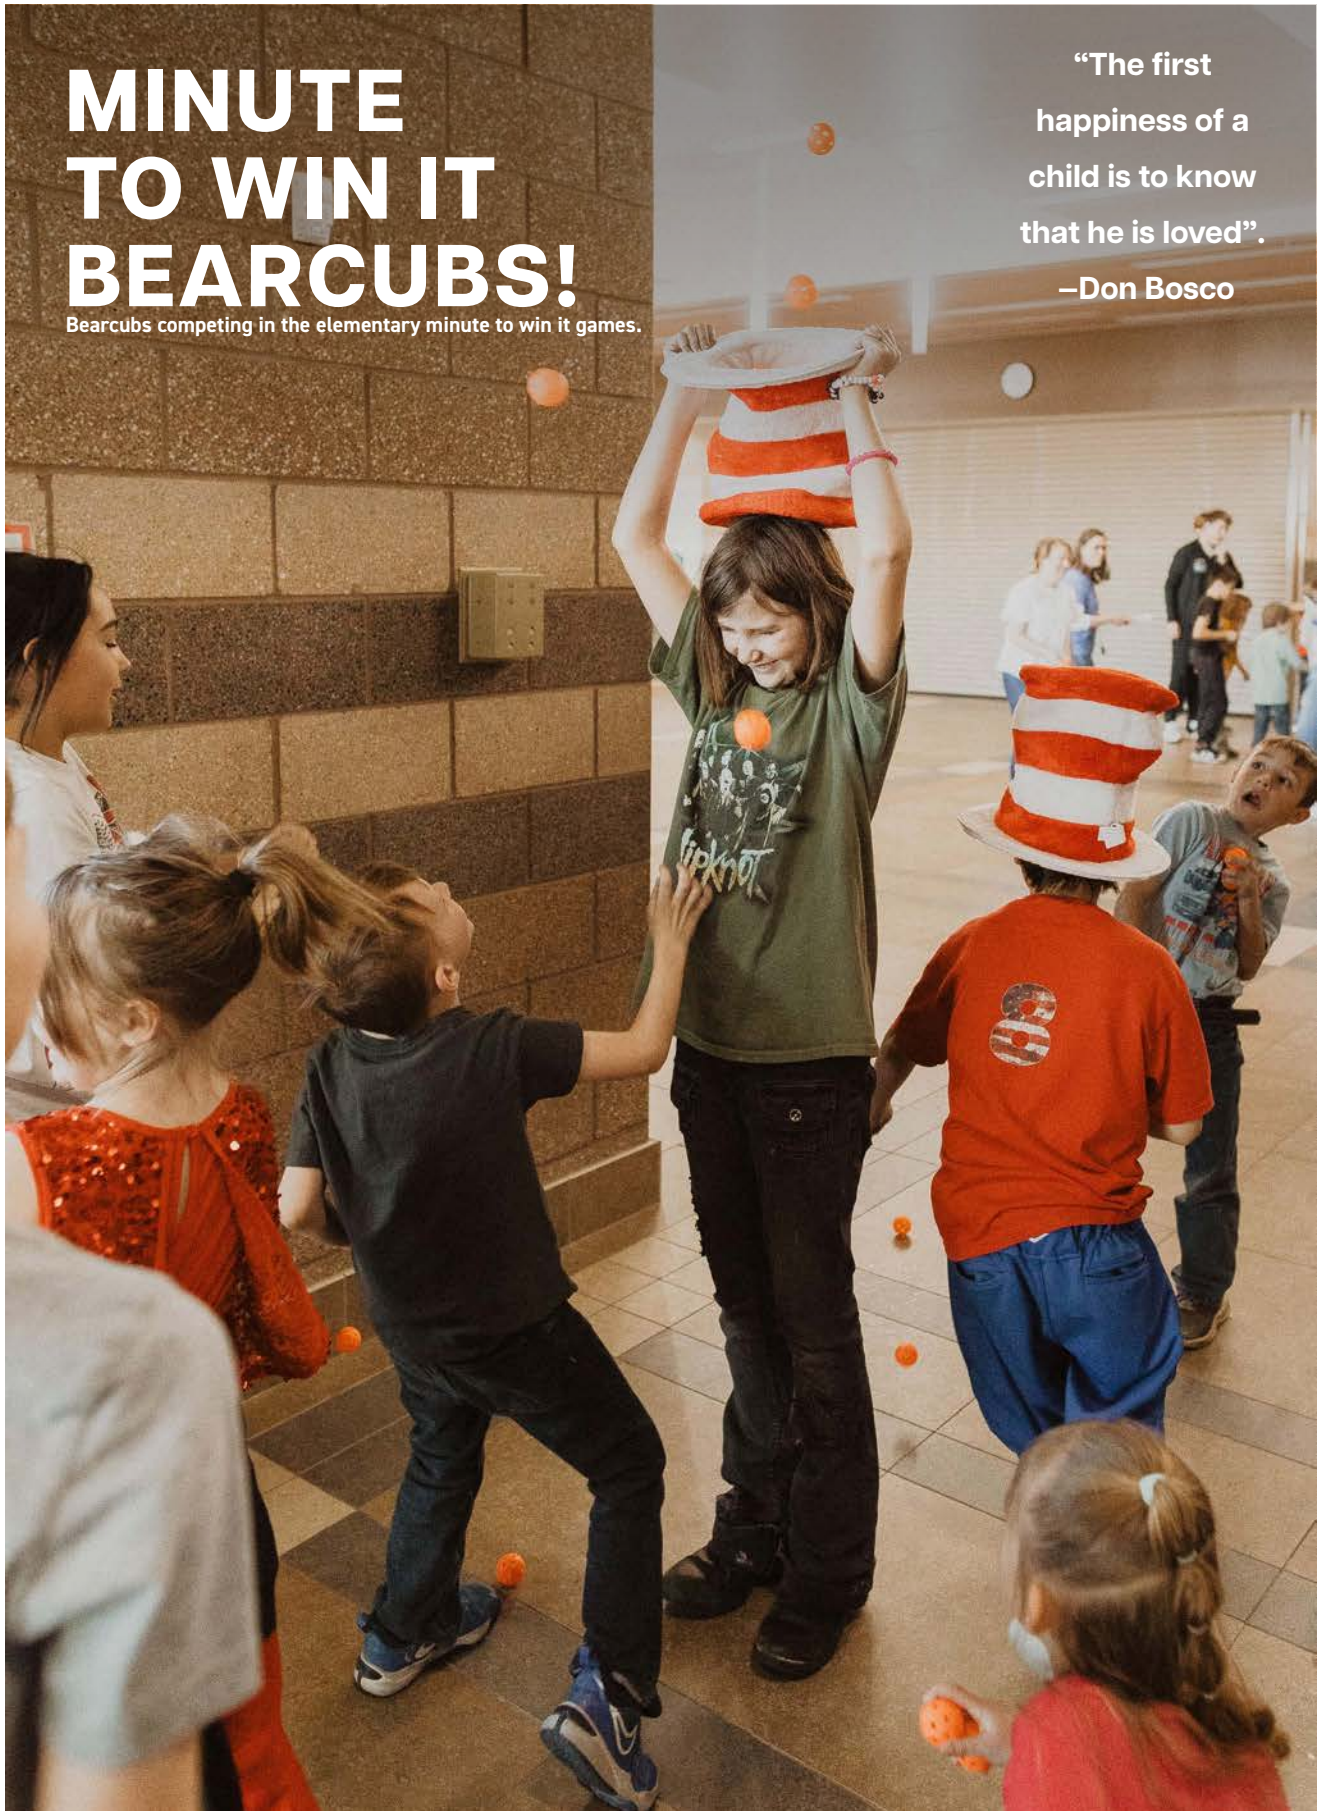

MINUTE TO WIN IT BEARCUBS!

Bearcubs competing in the elementary minute to win it games.

"The first
happiness of a
child is to know
that he is loved".

—Don Bosco

ELEMENTARY FIELD DAY FRIDAY, MAY 9TH, 2025

Kindergarten through 5th grade students will participate in field events at the track in the morning (8:10 a.m.-11:00 a.m.). Parents and/or family members are welcome and encouraged to come and watch their child participate in these activities. After field events are completed, parents are welcome to join their child for lunch. If you are the parent, relative, or friend of a kindergarten through 5th grade student, you can make a reservation for lunch. Reservation papers will be sent home soon. The price of an adult lunch is \$4.00. After completing the form, please send it back, along with your lunch money, to your child's teacher as soon as possible. The last day to turn in your form and money will be May 2, 2025. If we have bad weather that Friday, then field day will be rescheduled to the following Wednesday, May 14, 2025. After lunch and recess, students will return to normal activities, including specials.

COMMUNITY SERVICE THURSDAY, MAY 15TH

During the last two hours of the day, our elementary will be "giving back" to the community. All Cub's Den groups will be seeking opportunities to clean up or help wherever needed in Simla and surrounding communities. If you know of a job or two that we could help complete and make a difference, please call the front office, 719-541-2291 and let Mrs. Tucker know, or you can email her at ktucker@big-sandy100j.org.

ELEMENTARY TALENT SHOW

Are you an elementary student with a lot of talent? Here's your opportunity!!! Elementary STU-CO will be sponsoring a talent show for elementary students on May 9th at 2:45 p.m. All students, K-5, are welcome to enter. A sign-up sheet will be in the hallway in front of Mrs. Tucker's office.

ELEMENTARY AWARDS ASSEMBLY THURSDAY, MAY 23RD

All students, first through fifth grades will be recognized. Parents, friends, and relatives are invited to attend. The fifth grade will have a graduation celebration after the awards ceremony. Parents are welcome to take their child home after the ceremony or celebrations. Elementary school will be dismissed early, at noon, on this day. This will be the elementary's last day of school.

KINDERGARTEN GRADUATION-TUESDAY, MAY 20th, 2025

It's time to celebrate the accomplishments of our youngest Bearcubs while formally welcoming them into the elementary! Kindergarten graduation will be at 6 p.m., in the big gym, with a short reception following the ceremony. Be sure to bring your camera, and perhaps a box of Kleenex. This will be the last day of school for kindergarteners.

KINDERGARTEN ROUNDUP

Our kindergarten teachers, Miss Koehn and Mrs. Hamacher, will be testing students for next year's kindergarten class on May 21. If you would like to register your child for kindergarten, please call the front office and speak to Alisa at 719-541-2291. She will set up an appointment for your child.

ELEMENTARY AWARDS ASSEMBLY-THURSDAY MAY 22, 2025

from 8:05 a.m. -10:00 a.m.

All students, first through fifth grades will be recognized. Parents, friends, and relatives are invited to attend. The fifth grade will have a graduation celebration at the end of the awards ceremony. Parents are welcome to take their child home after the ceremony or celebrations. Elementary school will be dismissed early, at noon, on this day. This will be the elementary's last day of school.

FIELD TRIPS

At the end of the year, classes take field trips to celebrate the success of students and to learn beyond the classroom. Students are rewarded with these trips for good behavior, good grades, good work ethic etc. If a student is lacking in any of these areas, then he or she may not be allowed to attend the field trip. Teachers will inform students if they are ineligible to attend their field trip. Eligible students will be bringing home permission slips. Please sign and return with the required amount of money. Students need to make sure they are prepared and remember to bring their manners and great behavior.

CLASS LISTS/SUMMER ACTIVITY CALENDAR/BACK TO SCHOOL TESTING/MEETINGS

Report cards will either be sent home on the last day of school or mailed home. All information regarding next year will be included with your child's report card. Please look for this information as it will also include class lists for next year along with scheduled testing times or meetings for the following school year.

SUMMER SCHOOL

dates this year will be determined soon. Letters will be sent home to interested students. If you would like for your child to attend summer school, please send your child's letter back asap as it may fill up quickly. Further information will be sent home in the middle of May. If you did not receive a letter and would like your child to participate, let your child's classroom teacher know. Enrollment will be open to all students. This program provides students with the opportunity to maintain and gain skills needed to be successful in the educational environment. This is not an alternative for a student who has been identified for retention. As with any educational opportunity, excellent attendance and student effort is expected.

SUMMER ACTIVITY CALENDAR

This calendar will be sent home with your child's report card at the end of the school year. It will have different subjects designated for different weeks with activities to complete. When students return for back-to-school testing, they will need to turn in the calendar with the parent's signature in order to be eligible for their prize. Participating in the Simla Library Summer Program will also count towards completion on the summer calendar.

Either way, please make sure your child reads daily, either to him/herself or aloud. This is a major factor in a child's

SECONDARY PRINCIPAL NOTES:

SAMMI SWENNES

STUDENT HONORS

Congratulations to both our track and baseball teams for great spring seasons so far. Both teams will be competing in May to qualify for the post season.

STATE FBLA

Congratulations to all the students who attended State FBLA.

AWARDS & SCHOLARSHIPS

Congratulations to Myka Smith for being selected as a Daniels Fund Scholarship Recipient for 2025. The scholarship is a full ride scholarship to a college of her choosing. She will be attending the University of Northern Colorado in the fall, majoring in elementary education.

Congratulations to Morgan Swennes who was a Safe2Tell Student Mentor Ambassador for the State of Colorado. She led this year's group of Safe2Tell Ambassadors in their projects with the theme of Creating Connections in their school to Safe2Tell. She presented to the Attorney General of Colorado, the Assistant Attorney General, Safe2Tell Staff and student ambassadors and their families.

SUMMER SCHOOL

Big Sandy students are required to meet high, academic standards. Sometimes we have to go beyond the regular school year to catch up with expectations. For a high school student looking to regain credits or a junior high student needing to pass a course to advance to the next grade, he/she can take an on-line class through Colorado Digital Learning Solutions. The summer school session runs June 7th through July 30th, and after completion this would be for a semester credit. The cost of these courses are \$100. You can register for courses at: www.coloradodls.org. At this time we do not offer summer school for junior high or high school students at the school. There are other options available for summer school, but would first need to be approved by Mr. Thieman or Mrs. Swennes before credit would be accepted from another source.

PROM

This year's prom, 'Enchanted Forest', was another amazing experience for our high school students. Congratulations to the Prom Royalty court of or queen candidates. King Candidates are TJ Eurich, Brayden Welch, and Austin Hinds. This year's queen candidates are Morgan Swennes, Myka Smith and Kylie Maranville.

8TH GRADE GRADUATION

The 8th grade promotion will be on Wednesday, May 21st at 6:00 p.m. in the main gym. The 8th grade students will not have to attend school on May 23rd, their last day will be on May 22nd.

HIGH SCHOOL GRADUATION

The commencement ceremony for the Graduating Class of 2025 will be on May 24th at 10:00 a.m. The senior's last day of school is May 15th.

DRESS CODE REMINDER

Warmer weather means shedding the coats and jeans and adorning clothing more suitable to summer-like conditions. Please be mindful of the dress code found in your Student Handbook. Some things noted in the dress code that could be potential temptations include midriff shirts or other tight or low-cut clothing, sunglasses, shorts shorter than fingertip length, pajama bottoms, and tank tops or other similar clothing with straps narrower than 1.5 inches in width. Thank you for your attention in monitoring these items in the past. We have had a successful year, primarily because everyone has been so compliant with the dress code.

2025-2026 CLASS REGISTRATION

We will begin registration for next school year. For those students returning to Big Sandy Schools, a draft of the 2025-26 Master Schedule and a form to enter first and second class choices will be sent home. Students are to have parent's signature when returning the form to Mr. Thieman. In coordination with this event, we will hold a freshman orientation for 8th grade students. In this orientation, we will outline high school graduation requirements, encourage students to become actively involved in extracurricular activities, promote leadership opportunities, and stress the importance of good study habits and positive choices. If you have questions pertaining to pre-registration and/or freshman orientation, please contact Mr. Thieman or Mrs. Swennes.

ACADEMIC AWARDS

This year's academic awards will be held in the Big Gym on May 22nd from 1:45 p.m. – 4:00 p.m. All stu-

dents will be dismissed to the gym at that time. Parents are welcome to attend. Students will be recognized with various awards from teachers and we will also be holding our BIG honor roll and attendance prize drawings. Students who were on the Honor Roll for the first 3 quarters of school will be entered into the drawing. Students will be entered into the attendance drawing for missing 4 or less days for the school year. We will also be holding some other prize drawings during the ceremony. Students must be present to win.

2025-26 SCHOOL YEAR

Be sure to look for your Cub Reporter this summer that will have information about the new school year. Such things as bus drop off, parent drop off, student parking, and all other school information will be found in this Cub Reporter.

TEACHER APPRECIATION WEEK

Teacher/Staff Appreciation week is May 6 – May 9. This is a great time to show your child's teacher (s) how much you appreciate the hard work they put in each and every day teaching your child. A kind word or note is always appreciated! This year our Teacher Appreciation theme is a Board Game theme.

INDUSTRIAL ARTS FAIR

The Industrial Arts Fair will be held in Limon on May 7th and May 8th. You will be receiving more information from Mr. Schmidt about the fair.

ATHLETIC AWARDS CEREMONY

We will be having this year Athletic Awards for all high school athletes on Thursday, May 22nd at 6:30 p.m. in the Big Gym. We will not be having a potluck this year, so just bring yourself and enjoy an evening of celebrating your child's athletic achievements.

DECISION DAY

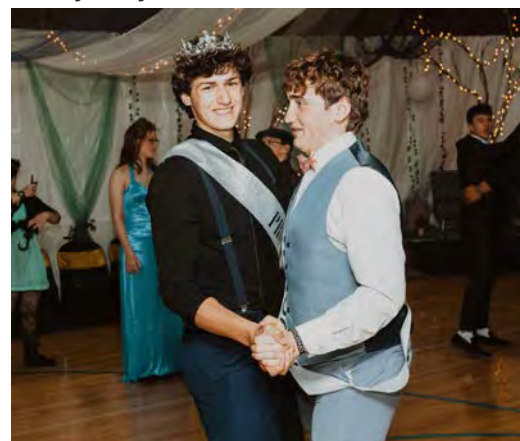

This year we will be holding a special ceremony for our seniors called 'Decision Day'. This is to honor students who have made a commitment to continue their learning journeys by attending a 2- or 4-year college, a vocational or trade school, a certified apprenticeship/internship, religious mission or the military. We are proud of all of our seniors and their choices, but we want to take time to honor those that are continuing

their educations. We invite to you join us to celebrate these seniors on Wednesday, May 7 at 2 p.m. You are invited to wear special gear from you trade or alma mater, or maybe you have a special senior you want to support and wear the gear from their future school, trade or military branch.

HIGH SCHOOL FINALS

All high school students will be receiving a finals schedule in the coming weeks. High School Finals will be on May 21st and 22nd. If they have a scheduled final, they will be required to take that final during their scheduled final time. Junior high finals will be scheduled during their regular class time during the last few weeks of school.

We will be having school on Monday, May 12th. There will be no school on Friday, May 16th.

2025 BIG SANDY SCHOOLS BACCALAUREATE

This year's traditional Baccalaureate Service will be held on FRIDAY, MAY 23rd AT 7 P.M. A Baccalaureate is a religious service held for a graduating class and includes singing, a graduation message, and prayer for the graduates and their families.

The service begins at 7 p.m. at Matheson Community Bible Church and will be followed by a cake reception. The Baccalaureate is open to all who would like to attend.

In order to plan for the reception, Mr. Thieman will be checking with each senior as to whether or not they will be attending and approximately how many guests will accompany them. Invitations will also be mailed to each senior's family. For more information, call Chad Thieman at (719) 659-4079.

COUNSELOR CORNER

CHAD THIEMAN

SENIORS

Graduation is almost here! Our seniors are ready and excited to see what their futures hold!

There are still some scholarship applications due in May so make sure to check on due dates. The Glen and Jennie Kimble Memorial Scholarship, the T.R. "Shorty" Hamacher Memorial Scholarship, and the Mary Casey Lasater Memorial Scholarship interviews will take place in May. Most scholarship recipients will be announced during the graduation ceremony on May 24th.

Each senior will be receiving an envelope of documents that include: cumulative file data, official transcripts, and immunization records. It is important to keep a copy of the transcript and immunization records as they will be needed as time goes on. I will also keep a copy of this information permanently on file at the school. Please note that we do not keep copies of diplomas in the permanent file; only a transcript, which is the official documentation of your graduation from Simla High School.

At the end of the semester, I will send an official high school transcript for each of our seniors attending college next year. I will also upload transcripts to the NCAA eligibility center for athletes. No action from our students is needed for the official high school transcript.

Seniors who have taken college credit courses in high school must request their official college transcripts themselves directly from the college where they took the course. We do not receive college transcripts and I am not able to request them. It is the student's responsibility to contact the college and request that an official transcript be sent to their new college. There may be a fee charged with this process. I recommend that the student start by searching how to request a transcript on the sending school's website.

JUNIORS

Our juniors took the digital SAT on April 17th. Results will be sent via their Student College Board Account in May. All juniors wishing to improve their scores should plan on taking it again in the fall at a National Test Site. Visit www.sat.org for more information on test dates and sites. Some students may benefit from taking the ACT instead of the SAT. Visit www.actstudent.org for more information on test dates and sites.

Juniors should look for opportunities to be involved in the community over the summer. Colleges and scholarship committees are looking for students who are able to document community service experience. We have opportunities in Simla to volunteer at the Thrift Store, at CrossRoads, at the library, through Youth Baseball, etc. Where can you help out this summer?

Summer break is a great time to start

organizing your portfolios in preparation for completing scholarship applications. Samples of award certificates, honors received, and community service records/logs will be useful as you enter your senior year.

SOPHOMORES

Our sophomores took the digital PSAT 10 on April 17th. Students will receive their results via their Student College Board Accounts in May. This was also a great practice opportunity for those interested in qualifying for the National Merit Scholarship contest next fall. That scholarship uses the results of their fall 11th grade PSAT (optional) assessment as its qualifier so they will already be familiar with the test if they choose to take it.

FRESHMEN

Our freshmen took the digital PSAT 9 on April 17th. Students will receive their results via their Student College Board Accounts in May. Taking the PSAT this year gives them good practice for the PSAT 10 and then the SAT when they are juniors.

ALL SECONDARY STUDENTS

Pre-registration for next year's courses will begin in early May for each 5th – 11th grader. I will speak to each grade and hand out scheduling forms. Parent approval is required on all schedules.

The School Board's approved graduation credit requirements are:

(1 full year = 2 semesters)

4 years English

3 years Math (Algebra, Geometry, and Algebra 2 are our minimum expected courses)

3 years Science (Physical Science, Biology, and 1 additional science are our minimum expected courses)

3 years Social Studies (Civics/Economics – 1 sem. each, U.S. History, and World History)

1 year Computer Science

1 year Physical Education

1 year Personal & Workforce Readiness (Senior Seminar)

11 credits additional Electives (any courses completed in addition to the above list)

27 total credits required for graduation

Foreign language is not required for graduation but it may be important for college admission.

Algebra 1 taken in the 8th grade does not count toward High School graduation credit. Students who completed that course in Junior High will need to take 3 additional units of High School Math.

Each student is also required to demonstrate adequate preparation in both English and Math. This may be demonstrated in a variety of ways including standardized test scores or passing our capstone senior seminar project. Meeting this requirement must be reported to the state and I will take care of making sure each of our seniors have the opportunity to meet this standard.

Extended-study college courses are being offered by Mrs. Montague (English Composition), Miss Collopy (Literature), and Mrs. Paintin (History) at the school. Opportunities for online college courses such as College Algebra are also provided through the Community College system and through CLDS online. College Algebra and College Statistics will be offered through a Zoom type system from Morgan Community College for face to face instruction. Juniors and seniors may take as many of these courses as they choose as long as they fit into their ICAP

(Individual Career and Academic Plan). Minimum SAT scores may be required to enroll but if your scores are not high enough then you may also attempt the Accuplacer assessment to qualify. If you earn less than a College D, do not complete the course, or do not drop the course by the drop date, then you are responsible to reimburse the school for any tuition or fees paid on your behalf.

Only juniors and seniors may take an online course. Courses cost \$200 per semester. Mr. Thieman has a hand out from Colorado Digital Learning Solutions for fall 2025 offerings. Online courses require commitment and the ability to complete assignments independently. Not every student is a good match for online courses so Mr. Thieman and Mrs. Swennes will need to approve all requests for online enrollment. The following criteria are being followed for the 2025-2026 school year:

1. If you have previously failed an online course then you will not be able to enroll in another one.
2. If we offer the course in our regular schedule and there is not a schedule conflict, then you will not be able to enroll in that course online.
3. You may online take 2 online non-college credit courses per semester.

Specific decisions to allow a student to take on online course will be made on a case by case basis. If you take an online course and fail it or choose not to complete it, then you will reimburse the school the cost of that course's tuition. You will not receive your diploma if you have not met your obligation of reimbursing the school for failed online courses.

As always, if I can assist you and your student in any way, please call me at 541-2291. Wishing you all well as we complete another school year and welcome the warm summer days!

SUPERINTENDENT BOARD NOTES

STEVE WILSON

CHAMPS!

State Champs! Congratulations to the Boys' Basketball Team, players, coaches, parents, school, and community!

FBLA

Congratulations to the many Future Business Leaders of America students and sponsors for a good year and to those that represented us well at the state competition! Thank you Tim Tucker and Holly Sielaff for sponsoring these young ladies and gentlemen! Congratulations Teague Jones for qualifying to go to the national competition this summer!

JOB OPENINGS

We currently have openings for the 2025-2026 school year: Secondary English Teacher; Transportation Director/Auto Mechanics Teacher; Paraprofessional(s); Bus Driver(s); Substitute Teachers; Assistant High School Football Coach;

Assistant Junior High Boys' Basketball Coach. We try and keep our school website up-to-date with any changes.

MATCHWITS

Congratulations to our Matchwits Teams for successful seasons.

DRAMA

Congratulations to our Musicians and Teacher, Kim Trowbridge and to the Drama Department and Teacher, Mary Bauer for your outstanding productions!

INDUSTRIAL ARTS

In the Industrial Arts Shop, we have many impressive projects being built and the students are close to being ready for the Industrial Arts Fair in Limon on May 7 and 8. Thank you Dave Schmidt and Patrick Bollar for the great instruction provided to our students!

TRANSPORTATION DEPARTMENT

Thank you Jerry Dole for all

of your extra work helping us with our Transportation Department!

SPORTS

It will be exciting to watch our Track & Field, and Baseball Teams compete this month in the postseason competitions.

ART

Thank you to the Art Students, Doug Cox and the Elementary Students and Staff for all of the wonderful art that has been displayed throughout the school this year. It really makes our days brighter and helps the school building look great!

CONCESSIONS

Thank you Junior Class and Senior Class and especially the sponsors (Teffanie Rector, Mary Bauer, Marlene Lake, Jerry Dole, Joel Ellis, Holly Sielaff) for your hard work in concessions and towards making prom and the senior trip positive memories for our many students!

UPDATES

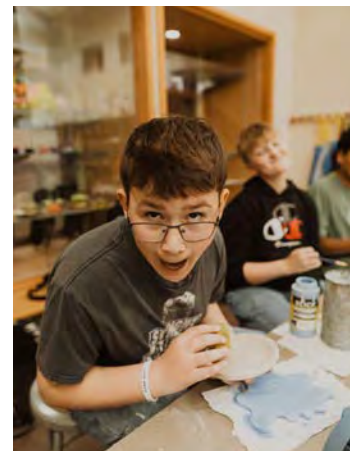

Thank you to Mr. Schmidt for completion of the drywall project. Thank you to Lane, Rod, and Oscar for installing the football goal posts. The fencing project at the football and baseball fields will start soon.

BUDGET

Our budget for this fiscal year continues to be in good shape. Our total enrollment is finishing the school year approximately the same as we started the year. The legislative session is coming to an end and although the legislators had to cut over \$1b out of the state budget, our school's budget for next year looks solid.

POLICIES

We have been staying caught up on all of our school board policies the past couple of months and look to see what new laws the state legislators will send our way.

THANK YOU

We are working toward finishing the school year strong and wish for each of you a great summer!

Thank you to all of our teachers, paraprofessionals, counselors, principals, secretaries, cooks, custodians, bus drivers, coaches, sponsors, and staff members that work at Big Sandy School District! Thank you Jayne Richardson for your 58 years teaching students, David Schmidt 35 years of teaching students, Mary Bauer 23 years teaching students. I have very much enjoyed working with all of you!!! Big Sandy School District was a great school district before I came here and I encourage everyone to keep working to keep it a great school district into the future!

To the Class of 2025, congratulations, we enjoyed getting to share our years with you and we wish you well in the future!

2024 YEARBOOK ORDERING IS WRAPPING UP! DEADLINE FOR ORDERS IS MAY 20TH!

All ordering for this years 2025 yearbook will be completed by May 20th. If you have not ordered yet you only have a few more days to do so before online and paper orders are closed. Make sure you order ASAP in order to guarantee you get a copy of the 2025 yearbook. The Yearbook Staff has been working hard to make this the best yearbook ever so dont miss out!
